WILLIAM GRAHAM AND THE BILLY GRAHAM EVANGELICAL ASSOCIATION CELEBRATION, JULY 3&4

We are excited to be able to reach out to the Pine Ridge community with the Gospel of Jesus Christ through the coming of the Billy Graham Evangelical Association (BGEA). For more than 7 years pastors, lay leaders, missionaries and other fellow believers have prayed for revival on Pine Ridge; a true breaking of the Spiritual bondage that stifles hope. "For we do not wrestle against flesh and blood but against principalities, against powers, against the rulers of the darkness of this age..." Eph. 6:12.

Board of Directors Retreat

The HFM board of directors spent much prayer in preparation for and during a board retreat on Nov. 11 and 12. By the leading of the Holy Spirit and sharing of scripture along with Godly counsel from others, the board has made a significant change in course by deciding to emphasize the disciplining of men and to retain vocational/job skill training and lowering the emphasis on drug and alcohol recovery. This does not mean HFM will discontinue helping men with addictive behavior but instead will require them to have first completed an addiction treatment program prior to entry into the Discipleship training at HFM. This also means, HFM will be doing some staff adjustments and hiring to fill the new leadership positions. Pray for this process and the selection of men chosen by God to lead.

Henry Brown, our administrative assistant, finished the Keystone Leadership Training LEVEL I, and along with the other men from HFM is returning for the Level II Leadership Summit in mid-August. Henry continues to distribute our \$50 food vouchers to the Lakota people once every month. We will have given away about \$32,000 worth of vouchers and clothes, thanks to the Hofer Trust, Salem M.B. Bridgewater, SD.

Community Service Mission Teams

A Special thank you to Faith Lutheran from St. Louis who helped fund and build the mission house and the Pine Ridge Gospel Fellowship roof! May you all be encouraged to continue in this endeavor so that HFM will be a light to the lost on the Pine Ridge reservation!

Man plans his ways but God directs his steps.

Roof Before

MISSION HOUSE

Teams of men from Faith Lutheran located in St. Louis, Missouri and Raytown Baptist in Kansas City, MO. provided the supplies and worked side by side with Lakota men in constructing a new mission building at the HFM site. The 16x44 mission house will be multi-purpose and house mission teams, staff-at times, and other guests. It is located where the three trailers used to sit. The site will also include three more drive through RV hookups. To finish this project we need \$6000. If you want to help donate towards these supplies, put "mission house" on your check. RV hookups cost about \$780/ site. Please help, thanks.
